FEEDBACK

6/4/2020.

- Honorable Member of Board.

I have been explained the details of SS of GICEA scheme, very briefly, and I am impressed with the principle of the scheme & the benefits received by the nominee. I hereby urge to continue such good & beneficial scheme for other remaining members. By getting this amount I will be able to return to the society on her name for the needy persons.

Thanking you.

Yours faithfully,
